

MOHAN LAL DAYAL VINAY MANDIR SCHOOL

ACTIVITY SENIOR SECTION

Yoga embodies unity of body and mind. The students of MDVM by practicing yogasanas, have learnt to become flexible and disciplined. The yoga instructors educated them about the benefits of Vrikshasan and Sukhasan by conducting practical and theory class simultaneously.

MDVians celebrated the Independence Day with great enthusiasm and fervor. The entire school premise was blooming with tri color and the fragrance of patriotism was filled in the hearts and ambience of MDVM. The Chief Guest Mr. Harish Sankhla, Chairperson of Sankhla Industries hoisted the National Flag at the onset of a vibrant cultural programme organized at the school. The guest of honor Mr. Anul Haq, Professor of NIIT University, in his address, advised the students to become ideal citizens of the country.

The cultural extravaganza was at its best when the tiny tots of MDVM, stepped together to celebrate the spirit of oneness and unity.

Dr. Veer, while addressing the gathering, urged everyone to contribute towards the progress of the nation and imbibe lessons learnt from the martyrs of India.

The day brought laurels to the school as Panchayat Samiti, Neemrana felicitated the students of MDVM, Ms. Arushi, the topper of class X and Mr. Anuj Choudhary, winner of National Silver Medal in Judo.

The programme culminated with the distribution of sweets to the children and with a promise to work, live and die for the pride and honor of the nation.

The budding artists of MDVM, presented beautiful hand made rakhis to Dr. Veer and Dr. Rekha Yadav. To mark the celebration of Rakshabandhan, a Rakhi making competition was organised for the students of class 2 and the winners were gifted chocolates as an appreciation.

ACTIVITY KG SECTION

Nursery

Children are always fascinated with the animal kingdom and they learnt about bird's nest by drawing and coloring nests of different shapes and sizes. They also enjoyed drawing their favorite fruit- Mango.

LKG

Numbers and the world of digits can be fun too. The little ones learnt about numbers through flash cards.

They also enjoyed learning about the colors and significance of Tri color- our National flag.

UKG

A,E,I,O,U..... wow was heard from the kids when they learnt about words having different sounds being the vowels in English. They also enjoyed learning and singing Rhymes.

Class 1

The young thinkers had a concern over the importance and availability of water. They were shocked to know about the scarcity of water existing on our planet and the young ones promised to make their efforts in making proper use of water. The kids, in an activity, learnt about the art of making calendar.

Class II

The act of counting and skip counting creates curiosity among the young ones as they enjoy learning new ways of remembering numbers. The mouse, keyboard and the use of the two for making funny faces and drawings, brings smile and joy to the life of a
