

MOHAN LAL DAYAL VINAY MANDIR SCHOOL

ACTIVITY REPORT SENIOR SECTION 8 January to 11 January

The year gone by was successful for MDVM and the new decade of 2020 has brought fresh achievements for the family.

Dr. Veer welcomed the students after winter break and advised the students to learn wisely and live amply. Dr. Veer honored Sourav (Class IX) and Sameer (Class X) for winning 4000 advance coupons & Arduino for their achievements in ATL Lab.

In Class IV story telling by Puppet Show was done. The students have made variety of puppets and played the stories and their characters. This was an initiative taken by the teachers who had visited the Aurobindo ashram, New Delhi for a training in English language.

ACTIVITY REPORT KG SECTION 8th January to 11th January, 2020

Nursery

The little ones had great fun while drawing picture of an umbrella, while practicing the alphabet *U*. They were happy to play with ball in a group, an activity aiming at enhancing hand-eye coordination among them.

LKG

The toddlers enjoyed the circle time activity while introducing their family members. They also learnt about the sequence and order of numbers in a number series.

UKG

Kids had a great learning experience in identifying the pet animals correctly and played mirror game. They were amused to practice subtraction with the help of number line.

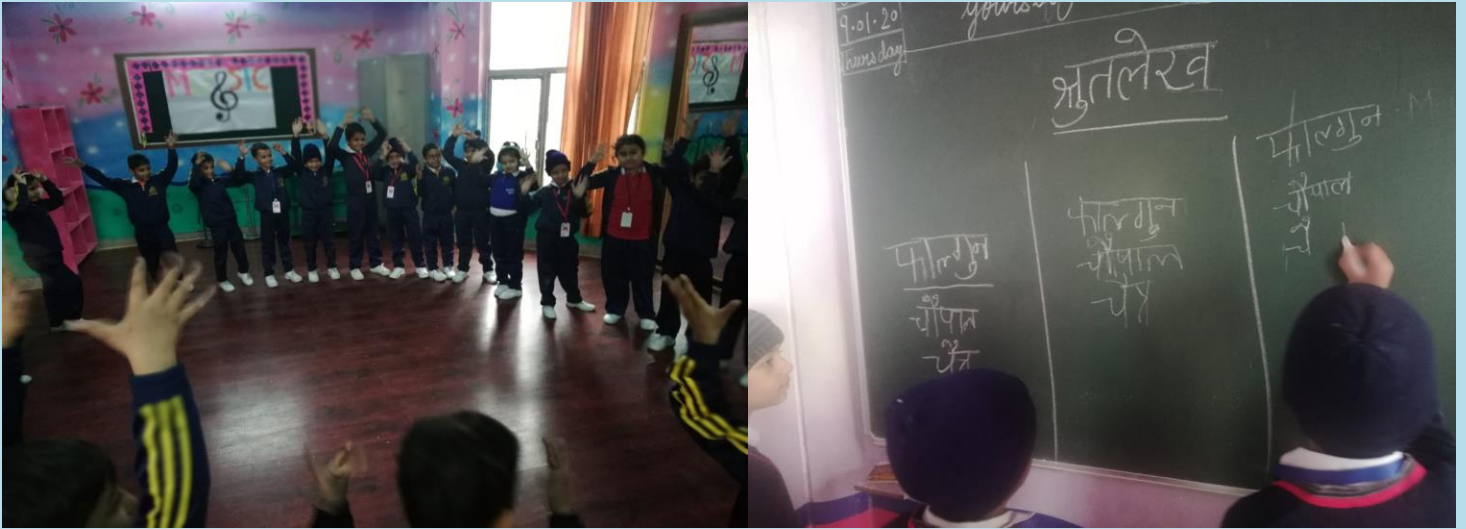

Class 1

Children learnt about measurements through hand span, foot span & cubit. They played *dance and freeze* game to learn about difference between sound and silence. A child's imagination and observation is the best when it's related to their friends. Through the bug activity they could locate the person missing among them.

Class II

The kids were extremely vigilant while writing correct Hindi words on the class board, while practicing dictation in Hindi. They enjoyed playing *mirror game*.
