**The specific objectives which these guidelines aim to achieve are the safety of children at schools, specifically safety in each of the following aspects:**

- From risk of kidnapping by any person, within or outside the school while at or travelling to and from the school on school buses, or while on school trips.
- From abuse, be it verbal, physical or sexual by any member of staff, be it teaching/non-teaching/contractual, older students or any other person while on the premises or on the transport route.
- From bullying, threats by older children (specific attention is drawn to problem as reported of older children seeking protection money or favors from younger children) from internet/cyber bullying/abuse on Facebook /twitter/ youtube etc., by circulation of undesirable/objectionable material by school children or staff involving school children
- From misuse of electronic/telephonic media at schools leading to obscene emails/texts /videos/etc. during or after school hours by students or staff involving school children
- From traffic accidents at/outside premises while boarding buses, crossing roads in vicinity, etc.
- From accidents on premises due to fire/short circuits etc.
- From any accidents during travel on school buses or while on school trips.
- From threats by natural calamities such as earthquakes, flooding, etc. by adequate preparation to mitigate the disastrous impact of such events.

  
Dr. Satyaveer Singh  
(Principal)
